• LED Indicators

1. The single LED indicator will show one of two colors:
 - Red indicates charging
 - Green indicates charging is completed
 - No light Indicates no charge
2. The four LED indicators show battery capacity.

# of the LED shown	one	two	three	four
Battery Capacity	<25%	25%-50%	50%-75%	>75%

Note: Press the button to check the battery capacity.

• Technical Specifications

Dimension	129mm *102mm *38mm
Power	1W
Output Voltage	5V
Output Current	2A (max)
Waterproof Rating	IP65
Working Temperature	-20 ~ 80°C
Battery	2x 18650 Pointed Head Batteries (not included in the package)
Waterproof Rating	IP66
Charge Temperature	-20 ~ 50°C
Discharge Temperature	-20 ~ 60°C
Circuit Protection	Short Circuit
Security Authentication	FCC,CE, RoHS

• Accessories

Part Name	Quantity
Solar power bank	1
Product manual	1
Mounting bracket	1

• Abandonment Cautions

Ensure the correct disposal of this product. This marking indicates that this product should not be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle product responsibly to promote sustainable reuse of resources. To return your used device, please use the return and collection systems, or contact the retailer where the product was purchased. They can take this product for environmentally safe recycling.
